पत्र प्राप्त किया
RECEIVED LETTER

Sir,

**Sub: Pension Revision from 1/1/2017 on the basis of 7th CPC fitment factor –
Peaceful agitational programme to draw the attention of the Govt – reg.**

We have been indulging in discussion with DoT officers at various levels on the above demand continuously for many years.

On 17th October 2022 though Member (S) Dr. Mahesh Shuklaji declared that it was decided to delink pension revision from pay revision in consultation with DoP & PW, it did not reflect in RoD and DoT's letter dated 17/11/2022.

Requesting DoT to send the proposal for pension revision on the basis of 7th CPC fitment factor to DoP & PW, and to take a positive decision, on the above basis, the above associations have decided to conduct the following programme of action:-

- 1) Call attention day – Demonstration on 19/12/2022 throughout the country including before Sanchar Bhawan.
- 2) Two days Dharna on 17th & 18th January 2023 throughout the country including before Sanchar Bhawan
- 3) Rally to CCA offices and Sanchar Bhawan on 8th February 2023

DoT is requested to settle the above issue without further delay and we are hopeful that the Present government would not ignore the interest of 3 lakh families of BSNL/MTNL pensioners.

Thanking you

Yours faithfully,

(V Vara Prasad)
